CAUSE

Mr. Roberts commenced his term of supervised release on April 6, 2010. He has resided at the Maud's House since July 2010. Unfortunately, Mr. Roberts has not established a viable transition plan relative to housing and employment, to date. Consequently, he is expected to move out of the Maud's House on or about March 4, 2011. Mr. Roberts requested placement at the Spokane RRC in order to develop a suitable plan to include housing and employment.

The undersigned is of the opinion, placement at a residential reentry center would afford the offender a reasonable period to seek employment and stable housing.
